### QUANTUM COBALT CORP – ANNOUNCES CHANGES TO THE BOARD

Vancouver, British Columbia – Quantum Cobalt Corp. (CSE: QBOT; OTC: BRVVF; FRA: 23B) (“Quantum” or the “Company”) has appointed David Greenway as the Company’s CEO following a meeting between the directors and the resignation of David Schmidt as CEO.

The company would also like to announce Dino Minichiello to the board of directors. Dino Minichiello is a Venture capitalist and entrepreneur; founder and cofounder of several apparel companies and investment companies. Dino notably was the founder and Chief Executive Officer of Triumph Capital, a Canadian private equity and investment banking firm that combines capital support with hands-on executive consultation. Raising millions of dollars in the private space.

“I look forward to bringing My expertise in private enterprise and capital raising to the quantum team.”

The company’s board now consist of Von Torres, David Greenway, David Schmidt, Quinn Field-Dyte, and Dino Minichiello.

**Forward-Looking Information** This news release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that Quantum Cobalt Corp. (the "Company") expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
